

# HASSLE-FREE EXPERIENCE

Silverbird Travel main offices are based in Nairobi with a branch office in Arusha, Tanzania. Silverbird is a Uniglobe Travel franchise and operates tours in the region covering Kenya, Uganda, Tanzania, Zanzibar and the greater East Africa. Over the years, Silverbird has perfected its services to

provide guests with an experience that is beyond expectations yet within budget.

## TOURS & SAFARI SERVICES

Silverbird is able to handle various client requirements - from adventure wildlife safaris to beach holidays, honeymoons, family and singles holidays, teambuilding activities, etc. Typically, itineraries focus on adventure safaris or a mix of safari and the beach. However, special

## AT A GLANCE...

- No 'hidden costs' policy
- Flexibility and choice

interest tours can easily be arranged, too.

## FLIGHTS & TICKETING

As an additional service, Silverbird reserves and prepares flight itineraries, both internationally and throughout East Africa. Clients benefit from significant savings on air fares and can earn Frequent Flyer mileage on most airlines. What's more, by purchasing Silverbird's Guest Protection, customers receive a refund should they need to cancel or change flights.

## AFRICA'S ON-THE-GROUND EXPERTS

### Silverbird Travel Plus knows East Africa like no one else

Silverbird Travel Plus Limited is one of the leading premier travel and destination management companies. Based in Nairobi, Kenya and established in 1990, Silverbird has built a reputation of providing the highest quality professional travel and safari services within Eastern Africa: Kenya in particular, along with Tanzania and Uganda.

Silverbird Travel is an IATA accredited travel agency, and a Uniglobe Franchisee. Why? Because: 1) Uniglobe Travel is the leading Travel Management Company worldwide, with a Global network of over 1,000 travel agencies; 2) Uniglobe travel is an internationally recognized brand, specializing in providing quality, innovative and reliable travel management solutions.

The Uniglobe Franchise and affiliation gives Silverbird Travel a global network and outlook, and a guarantee of excellent professional services.

### MISSION AND VISION

Based on modern business management principles, professionalism and travel ethics, Silverbird Travel continues their mission and tradition of offering an ever-changing selection of innovative safari holidays and a wide range of corporate travel management services. They provide the widest range of customized tailor-made safari and tours programs ideal for the first-time visitor, and much more exotic destinations for your seasoned travelers.

Their network of preferred suppliers throughout the region, coupled with our ever-increasing volume of travelers, has given them access to the most competitive rates, yielding savings, which they can pass on directly to your clients. They guarantee affordability without compromising on quality.

### COMMITMENT TO CONSERVATION

Silverbird Travel is strongly opposed to practices that jeopardize

the very resources that African tourism relies on. Silverbird Travel puts a strong emphasis on environmental conservation issues and participates in various local conservation programs. Portion of their pre-tax profits proceed to natural resources conservation and empowerment of the local communities.

### THE SILVERBIRD ADVANTAGE

Silverbird Travel is proud to be a family-owned company and promises that an enormous amount of personal attention is lavished on your clients' trip.

Kenya and Tanzania are what they know and love best. Silverbird has further developed a winning combination of American efficiency (the youngest generation of the family has graduated from top American universities) and African hospitality, besides expansive safari wisdom and insider access.
